### Third Sunday of Advent

"Be patient, my brothers, until the coming of the Lord. See how the farmer awaits the precious yield of the soil. He looks forward to it patiently while the soil receives the winter and the spring rains. You too, must be patient. Steady your hearts, because the coming of the Lord is at hand."

Advent ought to be a time of special focus. We need to adjust our lens to see the dire need in our world for God's intervention today, as it was needed with the coming of the Savior. As bad as things seem, what was it like before the Messiah came to rescue us?. As we admire the poinsettia plants blooming at this time, the grower had to adjust light and shade and provide correct heat to make sure they would be ready. Saint James' example, especially calling for patience, is advice for us, to patiently prepare ourselves spiritually for the Lord.

### Mass Intention Offering Update

As we continue to honor the beautiful tradition of offering Masses for our loved ones—both living and deceased—please be aware that beginning in 2026, the suggested offering for Mass intentions will be \$15, an adjustment from the current \$10. All intentions received on or before December 31, 2025 will remain at the current offering.

Thank you for your understanding, generosity, and support of this cherished ministry of prayer. May the Lord continue to bless you and your families.
