### Fifth Sunday in Ordinary Time

**I came to you in weakness and fear and much trembling and my message and my proclamation were not with persuasive words of wisdom, but with a demonstration of Spirit and power... you are the salt of the earth... you are the light of the world."**

Saint Paul described his mission and mercy, admitting it was the power of God which led and directed him. It is the same Holy Spirit and grace of God directing the church today and which empowers us to be the salt of the earth and light for our world. Salt, light, two seemingly insignificant elements, so essential in our lives, but essential for vision, healing and fidelity for our lives. That is what we are for the Lord's church today.
