*** Schedule subject to change**

MESSAGE FROM OUR PASTOR

DON'T WAIT, ACT NOW

There's a story about a King who claimed to hold divine power of life and death over his subjects. Because of this he decreed that it was legally impossible for even himself to change any sentence once he imposed it on a person. One day the King became so irritated by his court jester that in a sudden fit of anger, he sentenced the jester to death. As the king realized all too late how harsh his judgment was, he felt terrible and sorry for his jester. However, he knew that he couldn't change the sentence.

The King said to the jester, "In consideration of your faithful service, I will permit you to choose the manner in which you prefer to die." The Jester took a few moments to think this over, and then he answered, "I choose to die of old age."

Wouldn't be great if we were given the opportunity to choose when we could die? If given the choice, I'm sure we too would choose to die after a long life on earth and at a "ripe old age". However the truth is, our journey to God can come at any time- as our Lord tells us, "You do not know the day or the hour."

The wise Christian is one who constantly and consistently seeks to be "right with God." The wise Christian lives his/her faith daily. The wise Christian is always prepared, always ready, to meet his/her maker.The wise Christian can be confident that with every passing day on earth, they are not closer to death, but that much closer to eternal happiness.

God loves you,

Fr. Dunn
