GREETERS NEEDED: Do you like to greet and welcome people? Do you smile readily? We need a few people to do just that at the entrance to the church prior to every Mass. If you can arrive 20-25 minutes before the beginning of a given Mass and would like to be a "greeter", please contact Maria Cabanero.

liturgyschedule@stc-sta.org

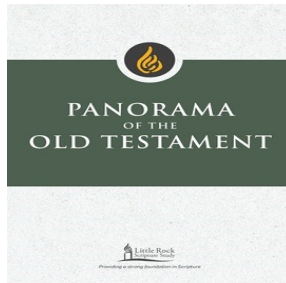

Job description: You will stand inside the entrance with a handful of bulletins that you will offer as you smile and greet anyone entering. It's fun! Many people choose to take the bulletin at the end of Mass or are satisfied with an on-line version. You are the "face" of the parish to a visitor. Some people will have questions that can often be answered by checking the bulletin. You can also remind attendees of a particular event coming up. You can make it suit your comfort zone. Please consider helping our parish in this way.

In response to parishioner's requests and with the goal of enhancing both contemplative and prayerful experiences, we have decided to replace our old votives with the St. Killians self-extinguishing candle burning system. St. Killians candle burning system is proven around the world to be the cleanest, safest, and the only smokeless candle burning system in existence. The candles are made of three times refined paraffin and therefore do not emit any soot or smoke which could damage our church and artifacts. The flames are protected, and the secured candles burn for 60-90 minutes. This system is endorsed and approved by Catholic Mutual insurance. To ensure that our parishioners are happy with the new candle burning system, we will be conducting a trial in the church through the month of October. Please share any feedback by calling the rectory or emailing us!

St. Catherine's Support Circle

We're seeking A Few Good Men And Women

The St. Catherine's Support Circle was formed in early 2009 (during "The Great Recession") to support job seekers at all levels and sectors--and to help them navigate the then-challenging economic environment.

To enable us to continue our mission, we're recruiting professionals to join our Steering Committee to help job seekers and others in career transition identify and position themselves for that "next" opportunity as the marketplace continues to evolve. Ideally, you'll have professional experience in one or more of these areas:

- Human Resources
- Executive Search
- Career Coaching
- Clinical Career Counseling
- General Management
- Education
- Marketing
- Public Relations
- Finance
- Accounting
- IT
- Administrative Support

We conduct monthly "Zoom" meetings from September to June. Our sessions are interactive and we always encourage participation by both job seekers and those interested in providing their advice and support.

As a Steering Committee member, you'll help plan our monthly sessions, arrange for guest speakers, organize and chair panel discussions, and communicate our meeting information to the community. If you have relevant experience, and would be interested in joining your fellow professionals on the committee, please contact SCSC Chairman Bob Sloane at

rsloane0@gmail.com.
