St. Catherine's Support Circle

Creating a Marketing Plan *An SCSC Zoom Meeting*

Thursday, October 12 from 7:00—8:15 PM

Having been in transition seven previous times in his career, Mark Troncone has witnessed the changes in the traditional way of finding employment. Through these

experiences, he has developed and implemented a multi-component program to give a person in transition the necessary skills to gain employment in the new millennium. Mark's approach in this unique presentation is a 7-point, step-by-step plan to zero in on what skills and processes are needed to quickly establish and implement a practical plan to achieve maximum results for those seeking employment – **Creating an Effective Marketing Plan**, being one of the important steps. Mark promises that if you follow his techniques, using your Marketing Plan will become fun instead of a chore and your one-on-one networking results will move in a positive direction.

Visit www.stc-sta.org/community-life/st-catherine-s-support-circle for details on the program and how to reserve a space at the SCSC table.

RSVPs required: To receive a link to attend the Zoom session, please RSVP **by Monday, October 9** to Meeting Chair Gretchen Johnson at gbmjohanson@gmail.com.

## More on FAITH FORMATION

### Catholic Social Teaching

There are seven themes of Catholic Social Teaching. The *Social Justice Committee* will present one theme each month. They provide a framework through which to understand modern Catholic Social Teaching and a guide to living our lives amidst the challenges of modern society.

This month's theme: **Life and Dignity of the Human Person**

The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. This belief is the foundation of all the principles of our social teaching. We believe that every person is precious, that people are more important than things. And that the measure of every institution is whether it threatens or enhances the life and dignity of the human person.

## Week of October 08, 2023

### John XXIII: The Pope of Peace

This movie tells the life story of John XXIII from his youth through his young priesthood, episcopacy, life as cardinal, and eventually his life as pope. Elected supposedly as an "interim Pope" who would just keep the status quo and listen to the advisers around him, John XXIII proved to be his own man when he surprised the Church and world by calling for the Second Vatican Council.

### Father Elijah: An Apocalypse by Michael D. O'Brien

This audiobook explores the state of the world and the faith through the story of Father Elijah, a Carmelite priest sent on a mission for the Vatican that leads to crises and conflicts ultimately affecting the fate of the Church.

### Every Park Needs a Lark | Episode 1 | Benjamin Cello

This episode of Benjamin Cello reveals that every part of creation has a purpose and brings beauty into the world.
