The Future of Work

9 Trends Disrupting the Workplace & Strategies for Success

An SCSC Zoom Meeting – Thursday, April 20 from 7:00—8:15 PM

The pandemic suddenly revealed the growing elements indicating a major disruption in the workplace. In the face of an accelerating rate of change affecting careers, we need to be prepared for the changes ahead and ask the right questions and develop effective strategies that will put you in the best possible position for career success.

Join our presenter and SCSC Steering Committee member, **Ann Whelehan Smego**, MS PCC, certified executive coach and former F100 corporate executive, at the next SCSC meeting as we explore nine trends that will be growing factors affecting our lives and careers. We will look at these trends and discuss strategies to grapple with the new realities in the world of work, identify the kinds of questions that we need to look at in the face of these disrupters, and think about strategies to pivot and succeed in this changing world of work.

Visit www.stc-sta.org/community-life/st-catherine-s-support-circle for details on the program and how to reserve a space at the SCSC table. **RSVPs required:** To receive a link to attend the Zoom session, please RSVP by **Monday, April 17** to Steering Committee member and meeting Chair, **Sandra Marr** at sandracmarr@gmail.com.

Gifts from Bethlehem

Gifts from Bethlehem brings the best Olivewood Handcrafts found in the Holy Land!

Gifts from Bethlehem will be in the St. Catherine's Lucey Parish Hall with their Gift Boutique and will be selling items after all of the Masses

April 29th & 30th

About Gifts from Bethlehem: A Traditional Art and Livelihood for Holy Land Christians

The handicrafts trade evolved as a cultural tradition of Christians in the Holy Land for many centuries. This indigenous form of art has since become an industry of great importance to the local people of the Holy Land who rely on it for livelihood, and to Christian pilgrims from all around the world whose holy pilgrimage can be memorialized for a lifetime in cherished olive wood or mother of pearl souvenirs. The olive wood carving market is the major source of income in the Bethlehem area. More than 65 percent of the income of the community in Bethlehem comes from this work. In recent years, however, the holy crafts trade has suffered many hardships due to social and economical pressures. Because of a sharp fall in tourism and also as a result of diminishing numbers of craftsmen who leave their traditional trade and emigrate due to the difficult conditions in their homeland, the Holy Land handicraft market is facing serious danger, and so is the Christian community in the Land.

Your vital support for a Christian tradition and in protecting this very important culture and industry is appreciated!
